Script for Contacting your New York State Assemblymember or Senator

Step One: Find your local [Senator](#) or [Assemblymember](#)

Step Two: Call them!

Script for Phone call:

“Hello, my name is [YOUR NAME]. I am a member of your district, and I’m calling to encourage you to support Bill A6262.

This bill amends the NY business law to protect consumers who are seeking self-improvement from non-licensed self-help providers. I knew Kirby Brown, who died at a self-help retreat led by popular guru James Ray. Had he been held to greater professional standards, Kirby may still be alive today.

Please consider co-sponsoring this bill with Representative Skoufis, or supporting it in any way you can as it goes to committee and up for vote.

Thank you for your time!”

Please note, we already have the support of Members Vivian Cook (District 32, Queens), Pamela Harris (46, Bklyn), Earlene Hooper (18 Hempstead, Queens), Alicia Hyndman (29, Springfield Gardns), Sandy Galef (95, Ossining, lower Hudson Valley) and Michael Kearns (142 West Seneca) You can still call them to thank them for their effort and provide some encouragement!

Thank you for your help!
